To reserve your spot, go to www.CPR2U.com, click on "Schedule" and select "Water Safety CPR".

This is an American Heart Association Heartsaver CPR AED Training (not Healthcare Provider level).

It includes adult, child and infant CPR and AED skills.

Participants must be 12 years of age by class date and 12-16 years of age must be accompanied by an adult participant.
Upon successful completion, participants will receive a two-year American Heart Association card.
