

Drexel Heights Fire District BOOSTER SEAT PROGRAM

DHFD, with the assistance of the Pima County's Community Development Block Grant Family Safety Program, provides FREE booster seats to DHFD residents!

Proof of residency is required.

Child must be present.

Stop by our Administration Center, 5030 S. Camino Verde during normal business hours.

BOOSTER SEAT INFORMATION:

Booster seats are now required for children 5, 6 & 7 years and under 4'9". (AZ Law requires kids under five years of age to be in a car seat.)

Make sure the child using the seat meets the weight requirements.

They should be used in the **rear seat** of a vehicle with **lap and shoulder belts**.

Booster seats elevate the child so that the seat belt fit them correctly.

According to the National Highway Traffic Safety Administration, children ages 5-8 who use booster seats are 59% less likely to be injured in a car crash than children who are restrained by a safety belt alone.

Booster seats easily move from vehicle to vehicle.

Booster seats raise the child's viewing level. Kids love this!
