

For more information about Coronavirus Disease 2019, please visit the [Centers for Disease Control and Prevention](#) website.

For the safety of our employees and the public, all of our Fire Stations and other offices have been closed and the public will not be granted access. Employees will continue to work and our readiness to respond to calls for assistance will not be affected. Residents requiring medical care or other services are directed to call 9-1-1. Thank you for your patience as the Nation deals with the COVID-19 outbreak.
